Welcome Home, Jason! *After an exciting (?) four-years with the U.S. Army & three combat tours (!) in Iraq, Jason Sliva is relaxing at home with Mom & Dad Beverly & Richard Hagy, brother Aric & sister Sarah, before deciding what to do with the rest of his life.* ***(All those medals meant a job well done!)***

FYI. Superstar Tom Brady (New England **Patriot** *QB), carries home his supply of Bazi, the great-tasting nutritional supplement produced by XELR8. ...Brady, along with Marty Turco (NHL Dallas* **Stars** *Goalie), Brian Griese (retired QB), & 700+ other athletes, are dedicated customers of the drink, which is composed of 8 exotic super-fruits, & tons of vitamins & minerals & antioxidants which we all need for balanced, healthy bodies. I know, this is an ad, but I HAVE to tell you about this tasty & powerful drink, AND the XELR8 company, because it offers a sure-fire income-producing opportunity, especially during these shaky economic times. And let me add that the athletes promoting the drink are NOT being paid to do so—instead, they are buying it on their own, EVEN some who are being PAID to advertise someone else's drink! Enuf said! If you're at all interested in better health, plus a way to REALLY add $$$ to your pocketbook, contact me for pertinent information. lilywright@satx.rr.com or 210-215-4272. (Steve, Lisa, & Shawn & Ed are distributors, too, so contact any of us to enroll or just to buy the product. Call & I'll give you their contact info.).*

Condolences go to the family of Gordon Smith, Lt.Col. (U.S. Army, Ret), who passed away in San Antonio earlier this month. Matthew & Daniel Wright & Damon Swisher enjoyed visiting w/the former POW who landed in Normandy on DDay. Lt Col Smith shared a glass of champagne in a POW camp w/the very German who had shot him after he parachuted in to France! Lt.Col Smith was 94 years young.
