# I N M E M O R I A M

**11-01-27—Carlos A. Zuñiga—06-14-11**

*We are so sorry to report that Chale, as he was affectionately known, departed this earth on Sunday, June 14th, after a recent illness! His wife, Bebe Treviño Zuñiga & his children, Carlos, Mellie Post & Patty Ramirez, were at his bedside, as were daughter-in-law Lisa Zuñiga, & son-in-law John Post.*

*Chale was a die-hard Aggie fan, Class of '49, & after graduating, he joined the Air Force, retiring after 22 years (active & reserve) as a Lt. Colonel. Chale was a man who wore many hats.....partner in Zuñiga Freight Services, a director of the Federal Reserve Bank in Dallas, Laredo Mayor Pro Tem, chairman of several community committees, & he was very active in political circles. He was truly a Laredo Legend, as well as a loving husband, father, grandfather & great-grandfather!! R.I.P., Chale!*

**Adrienne (Mrs. Pepe) , Annie, & Prissy (Mrs. Beto) Treviño caught up on family news.**

**Providing wonderful support to Bebe at her home were her children & daughter-in-law Lisa Zuñiga.**

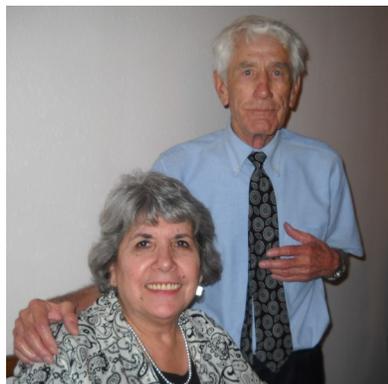

**The Barnes girls—Vickie Guajardo, Jodi Powell & Christi Kalmbach, came from near & far to be w/family.**

**Lisa's sisters Sandra & Kathy, plus Maria Elena—long-time housekeeper—all helped during the reception. Cute little Ella Gonzalez, Lisa's granddaughter & Bebe's great-granddaughter, posed w/ her dad Alejandro & uncle John Post. Pretty Mom Elisha was close by.**

**Memo Treviño & cousin Jodi had lots of catching up to do.**

**Bill Barnes, Bebe's brother-in-law, flew in from Fresno, California, to be w/ the family. He & Norma Hagy had a chance to visit.**

**Pretty Tammy (Mrs. Memo) Treviño enjoyed a chat w/ brother-in-law Beto Treviño.**

**Bonding time--Aric Hagy & his sweet niece, Giuliana Galli, snuggle a bit. Little Ms. Galli was born March 31st to proud parents, Mindy & Bruno, in Houston.**

**Aric is a Sophomore in the College of Business at Texas A&M, & recently, thanks to this SSS, he & Matthew Wright recognized each other at Sbisa Dining Hall & had a chance to visit. There are 15 dining places on the A&M campus, feeding 40,000 undergrads, so it was quite a coincidence to be in the same place at the same time. Matthew is a Senior with a Geo-Science major, plus he's an ROTC Marine. He's spending his summer at Quantico, Virginia, getting OCS training.**

**Texas A&M Campus.**

**.....And here's yet another family member who is an Aggie, too! Leo Leon Flores is the nephew of Susy & Gonzalo Farias, & I THINK he's a Sophomore now. Believe it or not, that's Leo in the multi-colored paint job, too!**

**TEXAS A&M UNIVERSITY**

...And speaking of Aggies, all of these family members are either graduates of Aggieland, attended A&M at College Station, TAMU, Galveston, Corpus Christi or Kingsville at one time or another, or worked on campus in some capacity!

**Cassie Reddam had fun with a Clown at Morgan's Wonderland In San Antonio. Morgan's is a great place for Special Needs individuals, who get in FREE.**

**There's not much water in Canyon Lake, but Eddie Langford took grandson Ian & friend James Nyondo out for a spin in his boat, anyway. James lives in Pretoria, So. Africa, but is originally from Malawi, & plans to run for the presidency there in 2014! All the best, James!**

**WAFF48NEWS, Decatur, Alabama. Our own Dr. Heather (Patty) Shah, Oncologist, was recently interviewed regarding use of cell phones & whether they can cause cancer. Bottom line: It pays to use caution, especially concerning children's use of cell phones, texting, Bluetooth & even speaker phones, right, Dr. Heather?**

**...And check out this great photo of the Reeds in California, who just had a mini-Reunion! Papa Perry, Chris & Lilli Coffin & kids, Bud & Beth & their two, & Mama Alice really enjoyed the rebuilt back yard & pool! Fun, fun!!**

...and last but not least, one more person connected to Texas A&M, College Station, is Don Graesser. HE climbed almost all the towers on campus (inside &/or outside), although he hasn't said WHY! Maybe just on a whim, Don? Or because of your job back then? Either way, that's an accomplishment that hasn't been beaten! (Don is a retired Army Lt. Colonel & a very active volunteer with Habitat for Humanity in College Station).

Perry Reed has "connections" & was able to get his grand-kids into the cockpit of a B-52 at March AFB Museum. Perry flew many hours in these big planes & retired as an AF Lt. Colonel. He is now a consultant & travels to far-off places.

Great photo of Pepe III & Adrienne Trevino & their sons, Pepe IV, & Matt. Pepe III is an Attorney in Laredo & Adrienne is a vice President at Laredo Nat'l Bank. In 2007, she portrayed Martha Washington in Laredo's Washington's Birthday Celebration. (How about a photo, Adrienne?)

"Team Cassie" (Cassie Reddam, Shawn Langford, Steve & Lily Wright) won 1st place at an Arc Bowl-a-Thon fund-raiser in New Braunfels. (Notice the T-shirts!) Good job!

*Philip Landis & Melissa Summerville look so happy at their wedding in Inkster, North Dakota. His niece, Victoria Landis & friend Justina were pretty flower girls! (Brother Bob is 2nd from the right, above).*

**Boy Scout Troop 701 Eagle Project**

Fencing around west side of club court and installation of a park bench  
**Approved!!**

*Hello SLPC Members,*

*I'm happy to announce that my presentation has been approved by the BSA Eagle Board, and I may continue fund raising. The cost to install a 12 foot x 87 foot cyclone fence and a bench is \$1350, of which I have raised \$250 to date. If you would like to mail a check please make it out to BSA Troop 701, c/o Damon Swisher, 19708 Nottingham Lane, Helotes*

Texas

*Thank you for supporting scouting and your community,  
Damon - Eagle Candidate*

**Help Wanted for a Good Cause! In case anyone missed this Flyer, Damon is working towards his Eagle Project & can use some \$\$\$ help. The fencing & park bench project will benefit the Scenic Loop Playground Club, which as you can see, is in dire need of help! :) Damon is a Junior at Communication Arts school, which was recently rated 80 out of 500 high schools of this type in the nation! (Thanks so much to those who have already helped him towards his goal. That \$250 has grown by leaps & bounds!)**

*Does anyone own a dog bigger than this one? "Moose" sits on Beth Reed's lap because he's obviously not feeling well, but from what we heard, he's much better now!*

**No dogs below....just a lot of happy feet! The Reed's mini-reunion was a big hit!**

*This issue was devoted mostly to Texas Aggies, although I know I left many of you out, & for that I apologize. On another issue, I'd like to highlight the University of Texas alums, as well as any other colleges around the nation. Please let me know who you are & something about your school. And don't forget a photo!*
