HECTOR'S 80TH BIRTHDAY

A very nice celebration was held for Hector at La Posada's party room, Laredo, when he turned 80! He looks & feels great & we hope he'll be here for his next 80!

Betty DeWall came from Omaha to celebrate!
Here she is with Diana & Marc (her son) & their kids...Drake, Alexa & Luke!

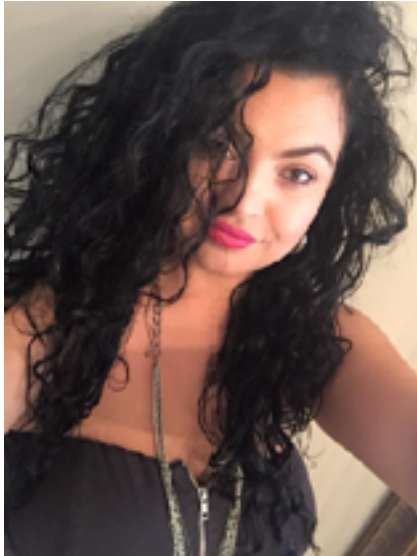

Farias children!

Farias gals, including Zalo's wife, Susana (on right), with family friend, Dr. Beto Varela! (Little Suzy Druker is missing!)

Looking great—as always!

In Jerusalem....what a wonderful experience for Grandfather Joshua Druker, Aunt Yael, & everyone else who was there!

Susie & Uri Druker, with his sister, Yael & her hubby, & the Druker children!

A well-attended (& thought-provoking) Holocaust Memorial Meeting was held at the Congregation Agudas Achim of Laredo recently! It reminded everyone of the horrors of the last World War & of the Gestapo in Germany! Never forget!

Yael Druker enjoys the view in Oia, Santorini Island, Greece! A beautiful & picturesque place!

Here's another view, with the colorful buildings showing up a bit better!

*Alice & Perry Reed heard a great speech by Bret Baier at the Richard Nixon Presidential Library & Museum in Yorba Linda, California!
(Looking good, you two!)*

Mother's Day! Kathy Navarro & mom, Norma Hagy, made a pretty picture!

Hector Farias & bro-in-law, Bobby Muller, had a lot to discuss recently!

*It looks like **SOMEBODY** just graduated & is showing off a UTSA Ring! Congratulations, Daniella! And now, what's next, 'Nela?*

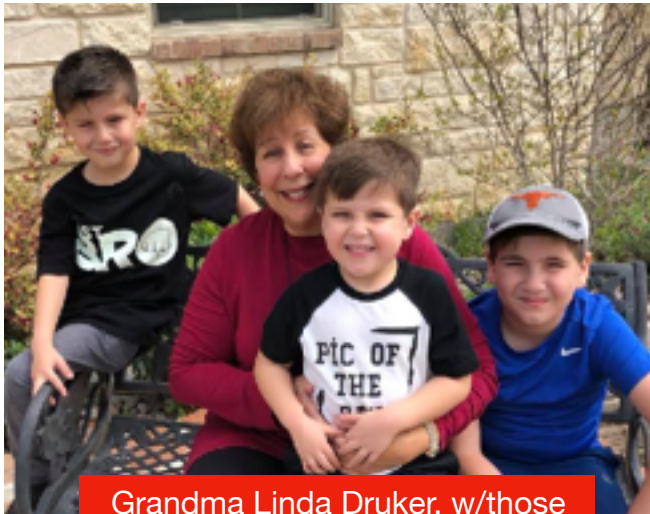

And here are Meme & Norma, and their extended family in McKinney, Texas! (Looks like Zachary was missing, but the rest were there!)

There's Diana (on the bottom left) & daughter Susie Druker (in the hat), along with Lorraine (Withoff) Laurel & Jennie (Leyendecker) Reed! Nice photo!

And here's Evelyn Landis, with a few handsome men! Paul is on the left...he's actually Jay's son. Then Jay, Evelyn, & Tim. She says Tim is "housebroken" in that he doesn't have a hat on! Ha ha!

Grandma Linda Druker, w/those good-looking Druker grandkids!

Here's Grandpa Hector Farias, w/the Druker boys, too!

And here are ALL the Farias children, looking good, as always!

But here's their Dad, walking ALL the Druker boys home from school! (Wonder if any of them will be attorneys, like he is!)

The Wright grown-up three-some! Rachel, Daniel & Matthew!

Rachel (Wright) Sundet w/her godparents, Keith & (Aunt) Barbara Holm!

Dan & the twins' pretty mama.... Mallorie!

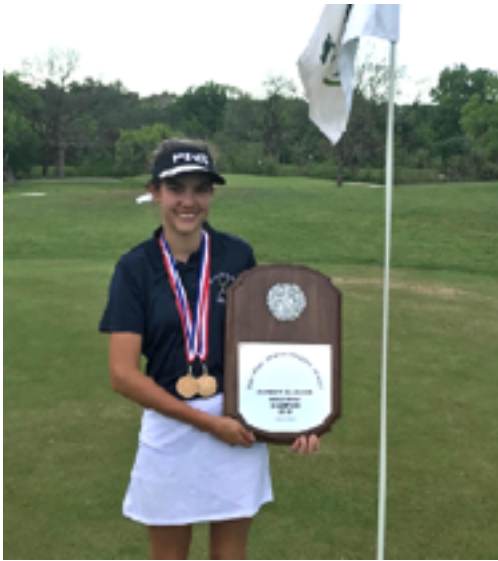

Daniel & the twins....but don't ask me Who's Who, because I'm not sure!!

Here's Emma, too! Going home now.....

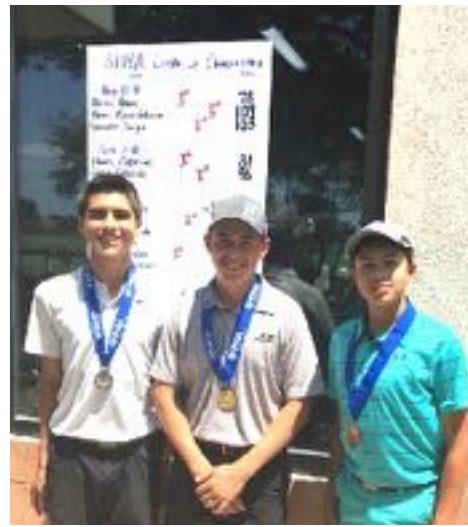

Good-looking low-rider!

Sister & Brother Flores win big! It sure looks like GOLF is the No. 1 Sport in this family!

Catherine on the left. Albert in the middle (right), with friends!

Luke didn't look very happy here, but the rest were glad to pose! Victoria, Elizabeth, Bela & Robert had great smiles!

Looking like TWINS! Good idea, Mari & Dan Salinas!

Not too long ago, the Gonzalo & Susie Farias family posed for a great picture!

Alejandro Epelde, a relative in Spain, has received a Gold medal in Physics (1st time ever), & he's only 17 years old! Sadly, the Spanish Government hasn't congratulated him nor are they sponsoring him in the Iberoamerican Olympic Science competition in Lisbon or the one in Puerto Rico!! Sin embargo, muchas felicitaciones, Alejandro, de parte de tus familiares en los E.U.!!
