FOX FAMILY SPECIAL

Todd and Carissa
with Campbell, 15,
and Riley, 12

***WOW! The Fox Family of Cypress Springs, Texas
Featured in HGTV Magazine, November issue!***

***Carissa (Langford) Fox has always been known to have many a
creative bone in her body, & now, HGTV Readers know it, too!***

The Fox family have lived in Cypress Springs for several years & are very happy in their home & neighborhood!

Daughters Riley, 12 years old, & Campbell, 15 years old, & one of their little Yorkies (Gretel or Mabel), enjoy Cooking up SOMETHing in the family kitchen!

The HGTV magazine describes many of the objects in the home, plus the stores that sell them! (I especially liked the different colored stools in the kitchen)!

The white walls of the Fox Living Room make a great background for the cheery pillows and other colorful accents in the room. The large photos of the girls can be easily be changed, too, so the look is always fresh!

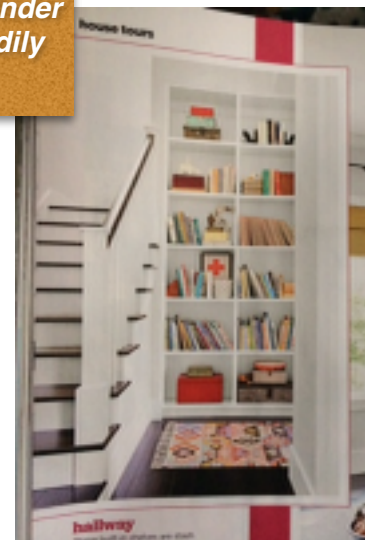

And please notice the Walls! All done with a Stencil Template, & it looks so professional! Check out Carissa's Blog at www.browneyedfox.com to see how easily it was done!

The girls have their own rooms, & as noted, have very different styles!

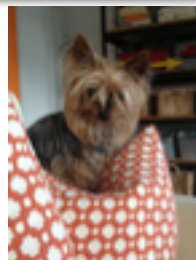

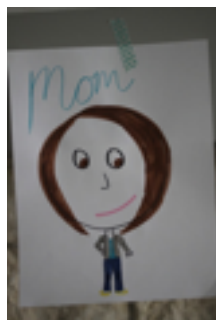

Here's a perfect place for a bookshelf: Under the stairs but readily accessible!

The Master Bedroom is uncluttered & serene..... and the bed & chest are especially pretty!

Oh, yes, it seems there are OTHER creative people in this family!

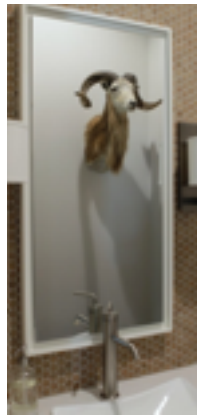

One of the Pets!

And what a great way to display special photos & paintings.... A Wall just for them!

Every house has an Office, and here's a truly simple one for everyone to use!

Not sure what this represents, but the idea is interesting!!

**The Relaxation area for the whole family:
The Back Porch/Patio — ideal for TV watching & just relaxing!**

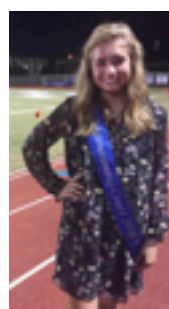

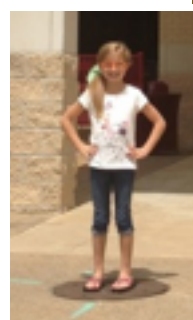

**And if you're wondering WHO the FOXES are?
This picture should give you an idea!**

Did I forget to mention the pool? Right out the back door, & close enough to be inviting ANY time!

Todd is Vice President for the Southern Region, Global Drilling Operations, of Nabors Drilling Technologies! Carissa is a talented Homemaker & oldest daughter of Ed Langford & Shawn. Her sister Julie & Marc Sultzbaugh live in Austin, & brother Joshua & Chanel call Houston home.

(BTW, Campbell was recently chosen Freshman Homecoming Queen at Cypress Christian school!!)
