Good job, Sarah!**

Granddaughter Cassie Reddam & friend, Kannon Hernandez, took her nephew, Jesse Reddam, for a spin!

Out & about in Omaha was Laura Wood w/pretty daughters, Aubrey & Sierra! Shopping for school, maybe?

Thanks to Facebook, your editor recently connected w/nephew, Juan Manuel Velez Salinas, from Madrid, who was visiting friends in Brownsville, TX! Jony's grandfather Felix, a diplomat, was our father's older brother. Jony's mother Victoria, visited w/Mother & Father in Laredo, above.

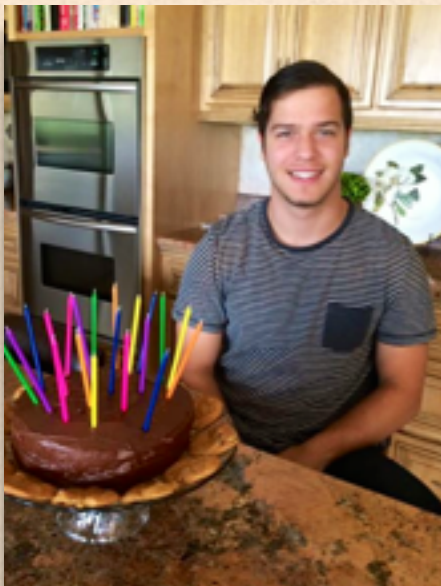

Could these two be related? Brother & Sis Reed & Megan Coffin were happy about SOMETHing!

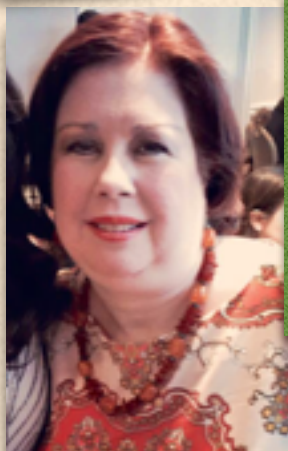

Enjoying a visit with son, Ross Swisher, was Rosamaria, who also celebrated a birthday!

No. 1 son, James Michael Wright, actually turned 60! Celebrating w/him were Joshua & Ed Langford, brother Steve, Damon & his dad James Swisher, & little Jesse Reddam. And here was Mike at 2 months, 3 weeks! Time sure does fly!

Enjoying a great day at the beach were Robert & big sis, Victoria Landis!

It seems that I actually forgot to mention a few birthdays last month, so here they are: Travis Swisher hit a big 20; little Noah Druker is now 1, & we won't divulge Hettie Swisher's age, which, after all, is only a number!

Mat Trevino has some very colorful friends around him.....now & as a kid! ((Mat works for Deloitte, a business consulting firm in Washington D.C.)

Up in North Dakota, Evelyn Landis (in green), greets some Agri-women, who are celebrating 40 years of advocating for Agriculture, as they drive across America!

Good-looking Miguel Delgadillo celebrated his birthday w/best pal, Dawn Campbell, while Kiko Treviño went sailing w/gal friend, Selina Chavez, in St. John, Virgin Islands!!

It looks like someone is celebrating SOMETHing, with that big bottle! Handsome fellows all, brothers John, Will & Andrew Post, together after Will's graduation!

Did anyone watch the so-called Blue Moon this week? Tom Varnon in Alabama did, & here's his picture! (The 2nd full moon in a month is called a "Blue Moon" though it's not really blue!)

Tonight is the last time you can see it until 2018!

Tom's nephew, John Nickel, also took a moon shot, & here's a moon w/ blue filter (from Bob Kelley, Scobee Planetarium).

Jason Sliva says that if you were in the Army but not in the Infantry, it's like saying you played for the Yankees, but were only a Bat boy! (That might start an argument, Jason! All military service is honorable, I know you'll agree!

Newlywed Rachel Wright Sundet, with Grandmother June Graesser! Both celebrated birthdays in June!

Now who could Mari Ridgley be waving to, flying by in a helicopter? Why, husband TR, of course!

"Pistol" Langford & "Lola" Wright were not too happy w/their cone hats prior to seeing their Vet. But all turned out fine for both! Thanks, Micki

Visiting the really fabulous Perot Museum of Nature & Science in Dallas were Mallorie and Emma Johnson, w/Dan Wright. Wings & Horns....hmmm!

And a belated Birthday greeting to Esmeralda Mahoney! Here she is with Susie Druker in a sepia photo! Two pretty gals!

Not recent, but here are Bud & Beth Reed of Tampa, FL, with Owen & Nicole! (I need a more recent family picture, folks!)
