

SALINAS SCANDAL SHEET

Congratulations to grandson Matt Wright, who was promoted to Captain in the U.S. Marine Corps! Matt is second from left in the picture below, with other Marines! (Oh, and he's a Navigator in the Prowler airplane, which I believe is the one behind the men.)

Still another grandson who did well this last month was Damon Swisher, as his illustrated comic strip was featured in Monolith Magazine, which is a Gamer fan magazine! (Hope everyone knows what a Gamer is!)

Proud parents, Debbie & James

Youngster's 'kid drawings' help others learn

**Damon was only a second grader at Helotes Elementary School when he was featured in a local newspaper, The Echo, because his drawings had been included in three Hampton-Brown textbooks! (HB is a leading publisher of materials used in "English as a Second Language" curriculums throughout the country.)
Damon is now a Senior at UTSA, studying to be an Engineer!**

As mentioned previously, Haley Coffin graduated from San Francisco State Univ. w/a degree in Business Marketing. Yay! Meanwhile, Sophia Farias graduated from High School in Shertz, Texas! (Sophia, below, w/ mom Laura, brother Fabian, & sisters Sara & Olivia, children of Laura & Guillermo. Memo was gone too soon!!)

Another big accomplishment was that of Ramon (called "Mon" by family) Diez Barroso who graduated from Baylor Univ. Med School! He can now be called Doctor Diez Barroso!!

A big day for Angelica (Gelly) Navarro was her graduation from United High School, Laredo! (Gelly was awarded a scholarship by TAMIU in Laredo, too!) Congrats, Gelly!

Pretty Victoria Landis received 2 very nice medals at Mary Help of Christians School in Laredo for being an honor student & an Accelerated Reader!! Congrats, Victoria!

John G., Andrew, Will & Mellie (Zuniga) Post, celebrating Reagan High School Baseball Regional Finals! Now the team is State bound!! Congrats! Go Rattlers!

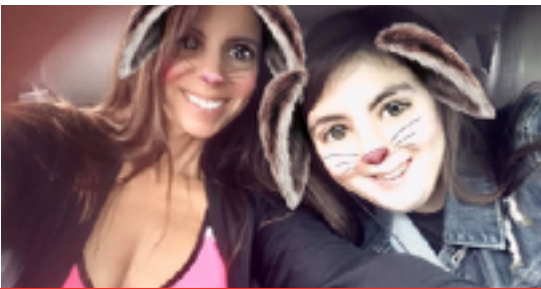

Somewhere in Colorado? That's where daughter Shawn Langford, & friends Nancy (Hrncir) Johnson & Violet (Henney) Marlowe decided they wanted to HIKE! (And they don't even look cold, though there was snow on the ground!)

Pretty Aubrey Woodruff & mom Terry are happy about SOMETHing!

There's something about a man in uniform!

This is some kind of a "selfie" of Diana Alicia De Wall & daughter Alexa! Cute, no?

Mari Ridgley had a nice visit w/good friends, Lynn Kupper & Leigh-Ann Shrum (Were they in a bar somewhere?)

Daughter Lisa & niece Cassie Reddam had a nice visit with good friend, Judy Burleson!

Not a recent photo, but one I hadn't seen before! This is the family of the Drs. Heather & Rocky Shah in Madison, Alabama!

Brother-in-law Perry Reed had a mini-reunion w/family in Grand Canyon Nat'l Park: Sisters Pam Reed, Tonna Challigoj & brother Roy!

And here are some of the Reeds & Coffins at the San Diego Zoo! (A few folks are missing, tho!)

Had lunch to celebrate Norm King's birthday at the law office where I used to work, & met Louis Kowalski (a fellow Laredoan), whose insurance business is now in the office upstairs!

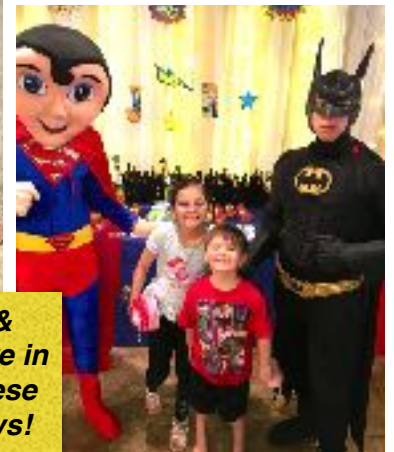

Luke DeWall hit a Grand Slam at his ball game & was carried off the field by big brother, Drake! Lucky guy!

Norm!

The pretty ladies who keep the Law Office running are Karen & Renee!

Wow! Victoria & Robert Landis were in good hands w/these life-size good guys!

Judge Larry Shallcross

I don't remember where we were or what we were celebrating, but it must have been SOMETHING! James, Damon, Debbie, Lisa, Shawn, Cassie, Eddie & Steve were there....next time I hope Linda & Mike will join us!!

Dan Wright had a great Father's Day, w/3 great kids & wife Mallorie! ...and so did Stephen Sundet, tho he & wife Rachel (Wright) are not ready to be parents yet!

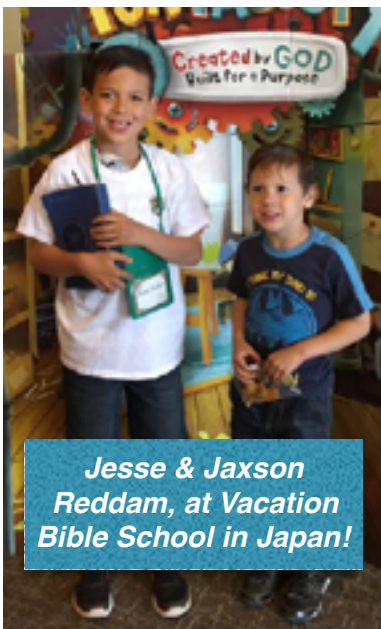

Best wishes to Betty DeWall, who celebrated a recent birthday w/son Mark!

Congratulations to Alejandra Alderete on her engagement to John Attebury of Amarillo!! (BTW, John has a July 12th birthday!)

Here's Betty w/granddaughter Aubrey, son-in-law Brad Wood, grandson Britton, daughter Laura, friend Ryan Villwock, & granddaughter Sierra!
